Fay Jones School of Architecture and Design
Assist with CNC processes, maintain the shop, and support design studios working in the lab.

Starbucks (2020 - 2022)
Dallas, Texas
Prepared handcrafted beverages and provided personalized service in a fast-paced cafe serving 400+ customers daily.

ABOUT ME

I am a fifth-year architecture student from Dallas, Texas. I switched from mechanical engineering to architecture and discovered a passion for making and social change. Fabrication is central to how I test ideas and understand the power of design.

SKILLS

Adobe Creative Suite
Rhino 8
Woodworking
3D Printing

Leadership
Teamwork
Critical Thinking
Punctual
Multitasking
